ANCHORAGE, ALASKA AR No. 2006-

BEGICH TAX.	LUTION OF THE ANCHORAGE MUNICIPAL ASSEMBLY AND MAYOR MARK IN SUPPORT OF THE STATE OF ALASKA'S NEW PETROLEUM PRODUCTION
WHEREA record for	S, the Anchorage Assembly supports and encourages economic development and has been or many years supporting a fiscal plan for the State of Alaska; and
WHEREA general rev	S, the oil and gas industry currently provides approximately ninety percent (90%) of the State's venue; and
WHEREA	S, natural gas development in Alaska is dependent on a healthy Alaska oil industry; and
WHEREA states it mu	S, to achieve the Alaska Department of Revenue's production forecast, the Alaska oil industry ast at least double its investment to an annual level of \$2 billion - \$3 billion; and
Alaskans,	S, the Cook Inlet natural gas industry supplies energy to sixty-seven percent (67%) of and any proposed petroleum production tax needs to recognize and avoid the negative ces to consumer energy; and
WHEREAS the Econon	S, a new petroleum production tax has been proposed by the State Administration to replace nic Limit Factor (ELF); and
WHEREAS	S, an effective, petroleum production tax should accomplish several goals, including:
a.	A shift to the worldwide standard of a production profits tax structure, expected to generate increased revenue for the state of Alaska; and
b.	Provide a basis for fiscal stability for the oil and gas industry, thereby encouraging gas pipeline construction; and
c.	Address the interests of both large and small producers; and
d.	Encourage investment in technology and infrastructure to maximize North Slope oil production; and
e.	Create an environment encouraging exploration and development of all of Alaska's oil

and gas resource base; and
